01 This chest of drawers from **Marcus White** has leather-lined drawers that open by revolving outwards. Released as an edition of 100, the piece is hand made in Dorset and is available in several veneers, including rosewood with black walnut. www.designsbymw.co.uk

02 This Yardley sideboard is part of a 20-piece collection from **Black and Key** created by award-winning bespoke furniture designer Karin Verzariu. Shown here in macassar radial veneer, it can be customised to a client's requirements. www.blackandkey.co.uk

03 **Liana Yaroslavsky's** La Luna table is made using traditional Venetian glass-making techniques to infuse the blown-glass spherical base with air bubbles. www.lianayar.com

04 **Ian Spencer's** Chaos series celebrates natural wood's beautiful range of texture and tone. His sculptural Roccapina chair is a three-dimensional mosaic of 18 different types of wood. www.ianspencer.co.uk

05 The Hybrid series from **Liqui** breathes new life into old furniture. This table is a typical example from the range, which adapts classic pieces using contemporary additions. www.liquidesign.co.uk

06 Anna Dodonova of **Anna Casa Interiors** has designed the G table for **Reflex**. Its bold graphic shape is available in transparent glass or a range of lacquered colours. www.annacasa.net
