

## RADIAL CABINET

Shown in Macassar radial veneer marquetry, inlaid mother-of-pearl banding and Noir feet, this piece is enhanced by our large door pull, Dazzle, in polished nickel with mother-of-pearl inlay.

The Radial cabinet is offered in our other veneers and liquid metal finishes, inlaid with polished/satin nickel or polished/antique brass banding. Our other large door pulls, Rift and Rotary, are perfect companions for our other finishes such as Raven walnut, Noir or liquid metal.

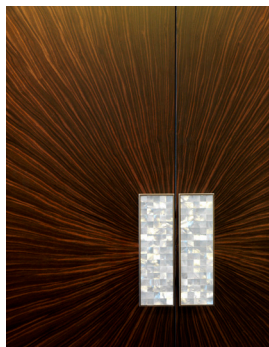

Dimensions and interior layout can be fully customised.
