

ALPHA SIDEBOARD

Harking back to mid-century design, the Alpha is a compact yet elegant sideboard which will provide storage in a dining room, study or office. The standard interior includes an adjustable shelf; drawers can be provided if requested.

The Alpha is shown in American walnut, polished nickel metal feet and matching Buff handles.

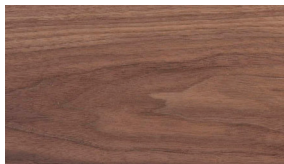

Available in most of our finishes, with elegant feet in our brass and nickel metals, it can be made to bespoke dimensions by our highly skilled artisans in the UK. Please contact us for further information.
