

CALLISTO II COFFEE TABLE

The Callisto II coffee table features our trademark triangular leg and our signature capping detail on the top and edge of the table. The table is shown in Bolivar cocoa and with satin nickel capping.

This table is available in most of our veneers and finishes, with or without metal detailing and with or without a low-level shelf.

As our other pieces, the Callisto II coffee table is available in bespoke dimensions and finishes and is hand-made in the UK by our skilled craftsmen.
