

CALLISTO II SIDE TABLE

The Callisto II table features our trademark triangular leg and signature capping detail on the top and edge of the table. The table is shown in Raven walnut veneer and with satin nickel capping.

The table is available in most of our veneers and finishes, with or without metal detailing and with or without a low-level shelf.

As our other pieces, the Callisto II is available in bespoke dimensions and is hand-made in the UK by our skilled craftsmen.
