

MARILYN STORAGE OTTOMAN

The Marilyn ottoman offers capacious storage and is lined with Cedar of Lebanon. This timber exudes a delicate fragrance and discourages moths. The ottoman is shown above with a Noir ebonised finish to base and shadow gap.

We can upholster in a leather from our collection, assist with the selection of a suitable fabric or upholster with customer's own fabric. Please contact us to discuss the suitability of the selected material.

Dimensions and veneers can be customised.
