

STRAND CHEST OF DRAWERS

Our large chest of drawers is shown in Ocean bird's eye maple, inlaid with polished brass banding and complemented with our Quatro pull handles in the same metal finish.

Drawer fronts are also made in contrasting finishes, such as leather, faux leather or liquid metal, as well as with or without metal inlays in polished/satin nickel or polished/antique brass.

Most veneers, finishes and handles are available for the Strand.

Dimensions and number of drawers can be customised.
